

NETpositive IMPACT OF THE HIGHER EDUCATION SUPPLY CHAIN

Since May 2016 a number of universities and purchasing consortia have provided their suppliers with access to free sustainability action planning tool; here are some of the very early findings from the first 1000 suppliers

"All our staff are paid above the Living Wage"

EVIDENCE OF ACTION
"We have an Environmental impact governance process involving representatives from Board to factory levels"

EVIDENCE OF ACTION
"We use multi-lingual videos and literature to get the messages about Modern Slavery across all levels of our business"

"Our apprentice scheme recruits from the hardest to reach communities"

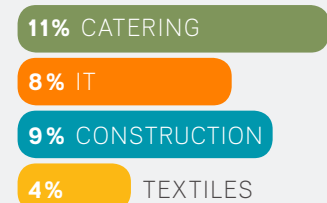

Suppliers aware of Modern slavery

Suppliers considering MS an issue for their business

ENGAGEMENT BY 'HIGH RISK' SECTORS

Identified as 'High Risk' by the Modern Slavery Act
